

answers to rhetorical questions pdf

A rhetorical question is a figure of speech in the form of a question that is asked to make a point rather than to elicit an answer. Though a rhetorical question does not require a direct answer, in many cases it may be intended to start a discussion or at least draw an acknowledgement that the listener understands the intended message.

Rhetorical question - Wikipedia

A rhetorical question is a common rhetorical device where a question is asked by a speaker, but no answer is expected from the audience. This distinguishes it from explicit verbal audience interaction where a speaker asks a question, and then waits for a response or calls on someone to answer it.
