How It Works. The actual translation of a document takes about 30% of the work involved. The remaining 70% is project management. If you are in the process of defining criteria for selecting a translation company this is a good place to start.

## **One Planet**

Action learning is an approach to solving real-life problems. It involves taking action and reflecting upon the results. This helps improve the problem-solving process as well as simplify the solutions developed by the team. The theory of action learning and its epistemological position were originally developed by Reg Revans

(1982), who ...
