Desire is a sense of longing or hoping for a person, object, or outcome. The same sense is expressed by emotions such as "craving". When a person desires something or someone, their sense of longing is excited by the enjoyment or the thought of the item or person, and they want to take actions to obtain their goal.

Daniel Pineda, New Dawn Waking Times Complete awakening happens on all levels. This includes the realisation there are some very serious enemies to personal/spiritual liberty who will work against you. They might say they are looking out for your best interest, or that of the greater good, but it is really always about control. Thanks [!]
