Cognitive Psychology: History Since the beginning of experimental psychology in the nineteenth century, there had been interest in the study of higher mental processes. But something discontinuous happened in the late 1950s, something so dramatic that it is now referred to as the 'cognitive revolution,'™ and the view of mental processes that it spawned is called 'cognitive psychology ...

The beginning of Greek comedy: 5th century BC: From 486 BC there is an annual competition for comedies at Athens - held as part of the Lenaia, a three-day festival in January. Only one comic author's work has survived from the 5th century. Like the first three tragedians, he launches the genre with great brilliance.
