This article is a major update to my previous review of Rocket Languages (updated for the new 2018 edition). I've had to adjust some of the harsh criticisms below I made in my earlier review of their courses because the new edition has fixed or removed most of the major flaws I pointed out earlier (I've also included a video below).

The Most Frank And Honest Review Of Rocket Languages Ever

1. What is the difference between online and offline? Online: When you connect to the Internet you are working online. If you want to surf the Web using a browser, i.e. move from one page or one website to another, then you have to be online.
