Economic globalization is one of the three main dimensions of globalization commonly found in academic literature, with the 2 others being political globalization and cultural globalization, as well as the general term of globalization. Economic globalization refers to the widespread international movement of goods, capital, services ...

Economic globalization - Wikipedia

A distinction must be made between a British "dominion" and British "Dominions". The use of a capital "D" when referring to the 'British Dominions' was required by the United Kingdom government in order to avoid confusion with the wider term "His Majesty's dominions" which referred to the British Empire as a whole.
