

**brazilian immigrants in the pdf**

White Brazilians (Portuguese: brasileiros brancos [bɐˈziˈle(j)ɐ̃ˈbɐ̃ˈfɐkɐs]) refers to Brazilian citizens of European and Levantine descent who are perceived to be and identify as white.

**White Brazilians - Wikipedia**

In 1907, the Brazilian and the Japanese governments signed a treaty permitting Japanese migration to Brazil. This was due to the decrease in the Italian immigration to Brazil and a new labor shortage on the coffee plantations. The first Japanese immigrants (790 people – mostly farmers) came to Brazil in 1908 on the Kasato Maru.
